

# TÜRKİYE ÖZEL SPORCULAR SPOR FEDERASYONU

10/06/2020

The respectable SUDS family,

Our plans to host the 2nd Trisome Games in Antalya, which we have been preparing with excitement since November 2017, had to change permanently due to the COVID-19 pandemic, which unexpectedly affected the whole world and turned our life balances upside down.

According to our first planning, Trisome Games 2020, which will take place between 31 March and 07 April, had to be postponed to 19-26 October, under instructions described by local and international institutions/organizations with the chain measures that started with WHO (*World Health Organization*) declaring COVID-19 as pandemic on 11 March 2020.

During this period although the positive direction in the course of disease spread in Turkey could be kept under control, the course of the pandemic has continued to increase at an alarming way in the world. Considering the health of all participants, it was announced that Trisome Games will not be held in Antalya on 19-26 October 2020 as of 20 May 2020 in line with the decision of the SU-DS Executive and Technical Committee.

As a result of postponement and then cancellation decisions due to extraordinary developments, all participants and local organizing committee faced serious financial losses.

A long list of expenses (*some of them had to be done twice separately for each time period of 31 March-07 April and 19-26 October*) spent by our federation (*TOSSFED as an organizer of Trisome Games 2020 Antalya*) stands before us as a heavy financial burden. Such as preparation of sites and facilities, medals, trophies, badges and souvenir materials, posters and venue decorations, advertisement and promotion expenses, personnel expenses, costs for field inspections (site visits), preparations of opening and closing ceremonies, web page and costs of agreements and investments for live broadcasting, urban transportation, accommodation deposit fee, etc.

It is clear that meeting all of this financial burden from our Federation's own resources cannot be fair or sustainable. For this reason, we have to share a small part of the total cost with you, venerable participants.

Based on your participation application for Trisome Games 2020 Antalya, the remaining 90% will be refunded to you immediately after 10% of the total amount you have to pay is interrupted for expenses. Thank you for your understanding and cooperation.

In order to execute the refunds without any problem, we kindly ask you to fill in correctly the form in below and sent back to us ([bilgi@tossfed.gov.tr](mailto:bilgi@tossfed.gov.tr)).

Best regards,
