

Prague, 05/05 2025

Dear athletes, friends and colleagues,

as you have probably noticed in your schedule calendars, the term of the second entry for 8th IAADS Open European Athletic Championships Prague 2025 is behind us, and we can begin with the final preparation for the main event.

We have the pleasure of registering some 45 athletes coming from the following 9 countries: Bulgaria, Croatia, Czechia, Finland, Great Britain, Ireland, Poland (1,2,3 groups), Portugal and South Africa.

Before we finalize the programme, send the rest of the invoices for those who paid the entire amount, and publish further details at prague2025.com, we would first like to ask all the teams to re-check if they have provided all the data concerning:

- room assignments (both athletes and staff)
- SUDS registration of athletes
- gender
- assigned disciplines
- best results
- time of arrival/ departure, flight number (and check in and out date if different)

- category (trisomy 21 /mosaic)
- passport number
- T-shirt sizes
- photo for the registration card

If not, please do that as soon as possible, as the data should help us to organize the event with the hotel, volunteers and the stadium more smoothly and efficiently.

Thanks again for your assistance and feel free to ask any further info.

Yours sincerely

Jan Čáp
Vice president of ČeFeS Down
